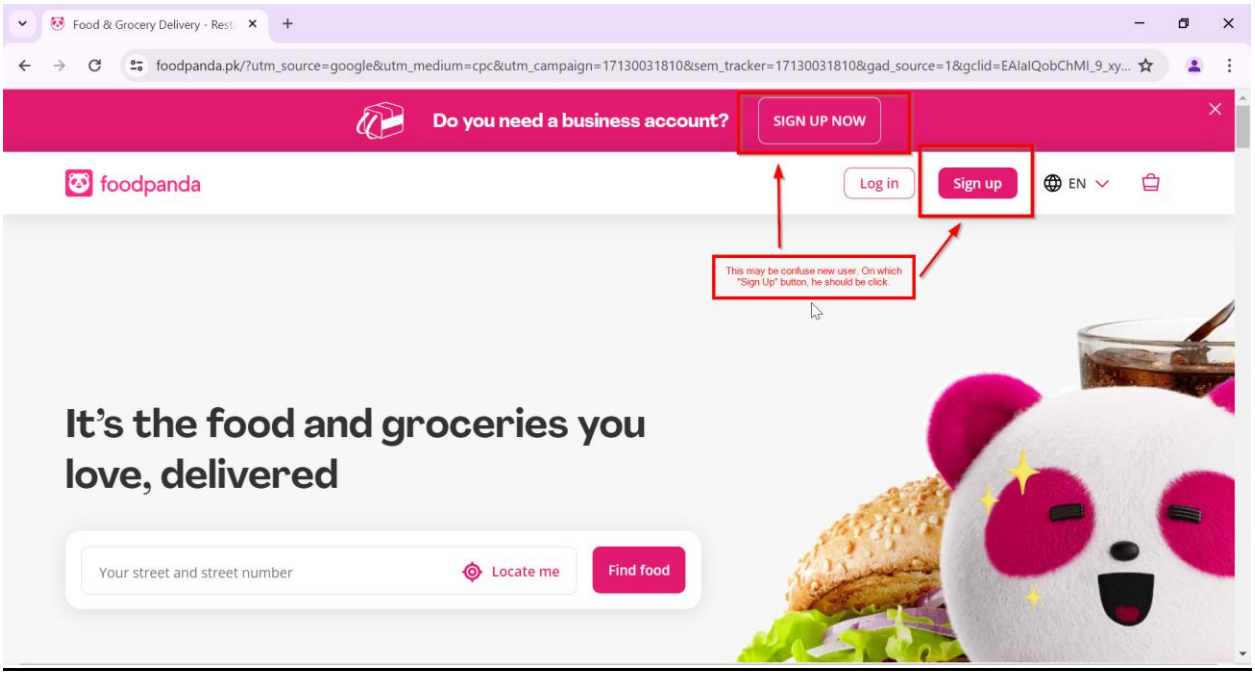
Landing Page

Page Link

Bug # 1

Two Sign Up Button

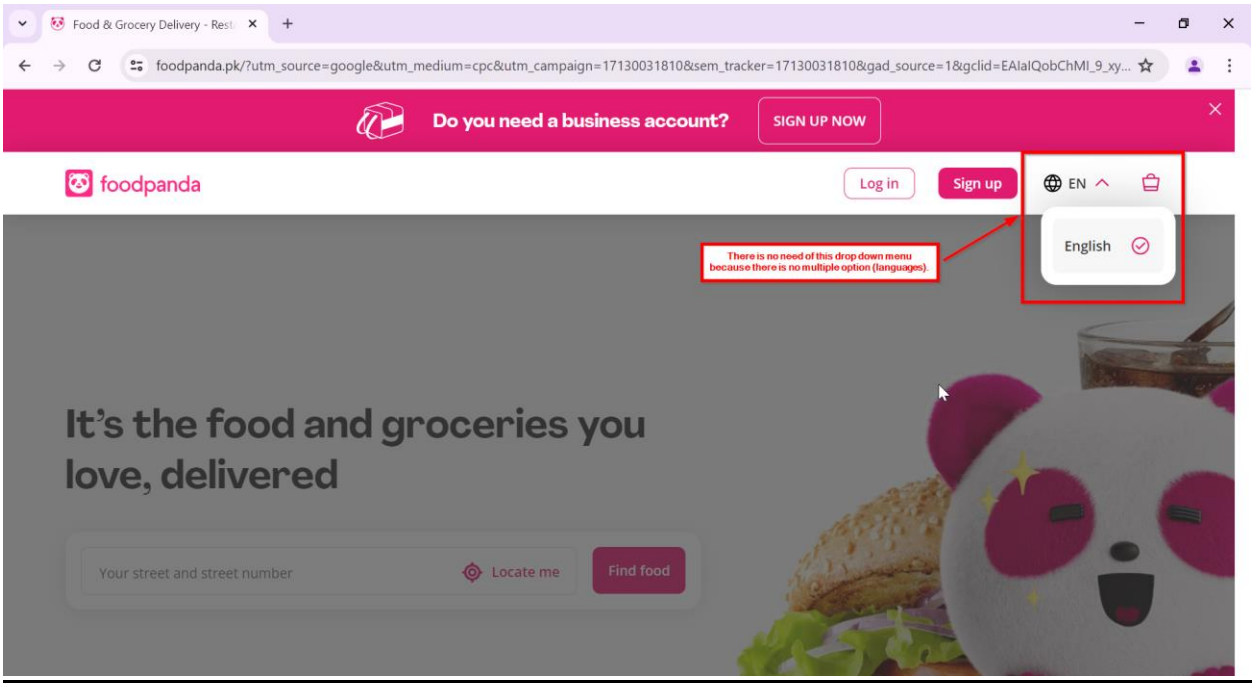
These buttons are making confusion due to placement of same container. New user may be click on business account “Sign Up”. And these are not looking good.



Bug # 2

Language drop down Menu

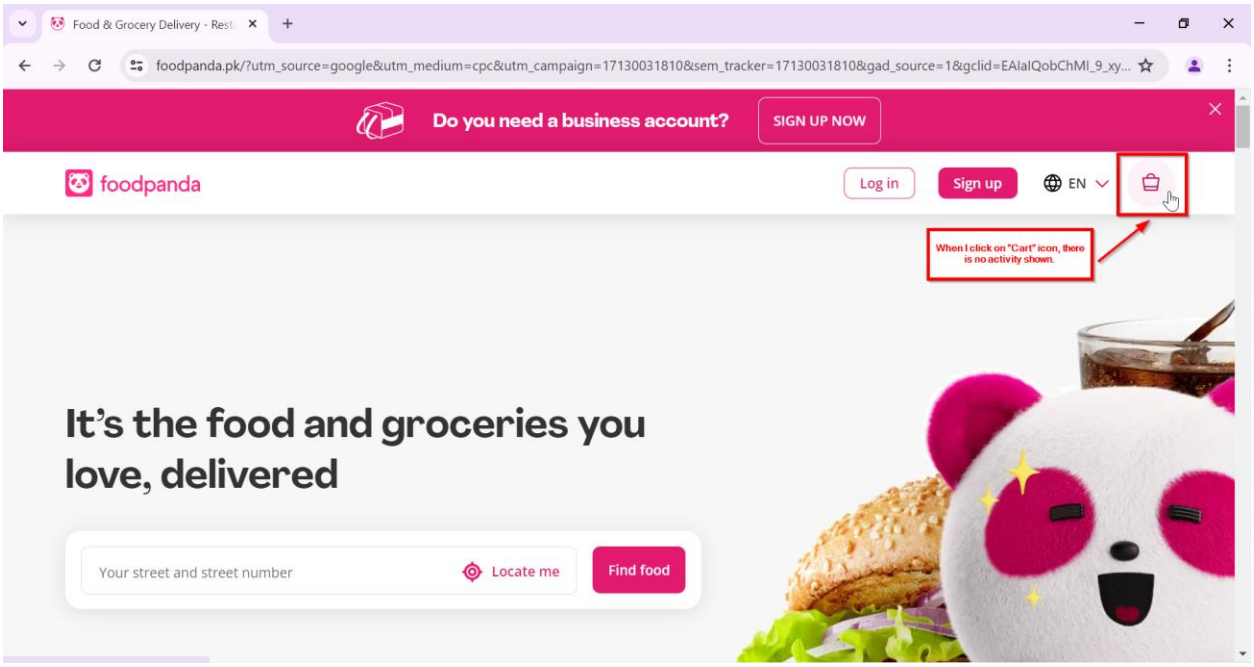
As there is only one language, then why this menu is here?



Bug # 3

Cart Button not Working

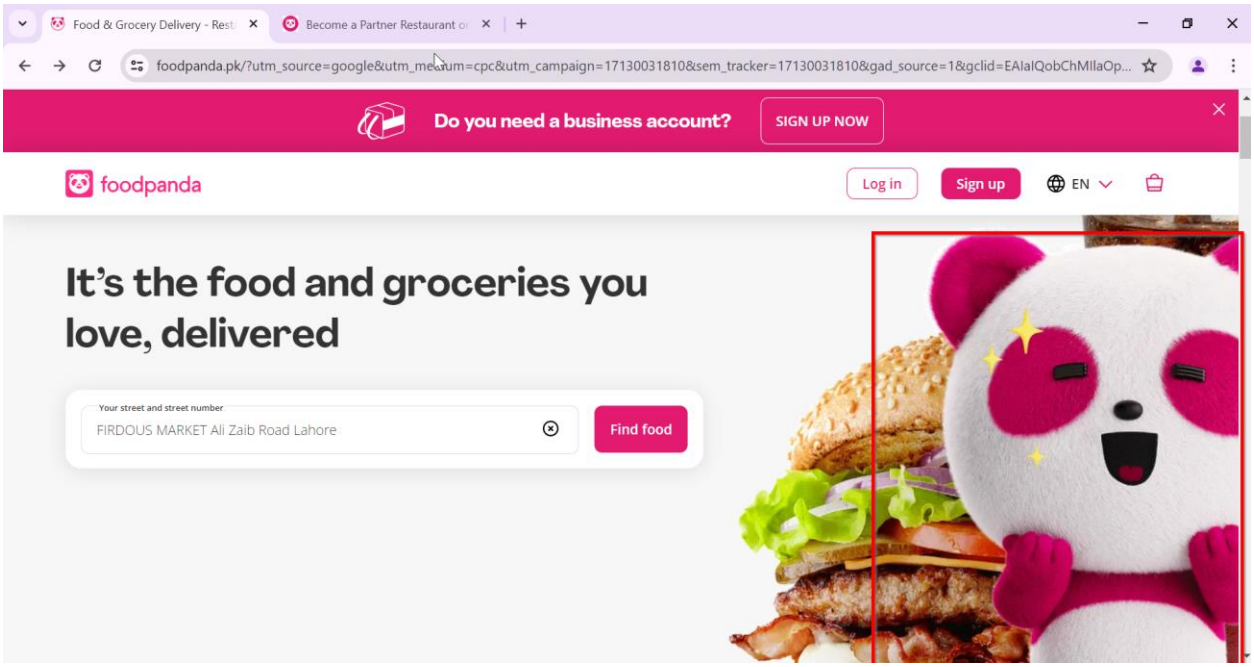
When I click on "Cart" button, there shown no functionality.



Bug # 4

Panda not showing full

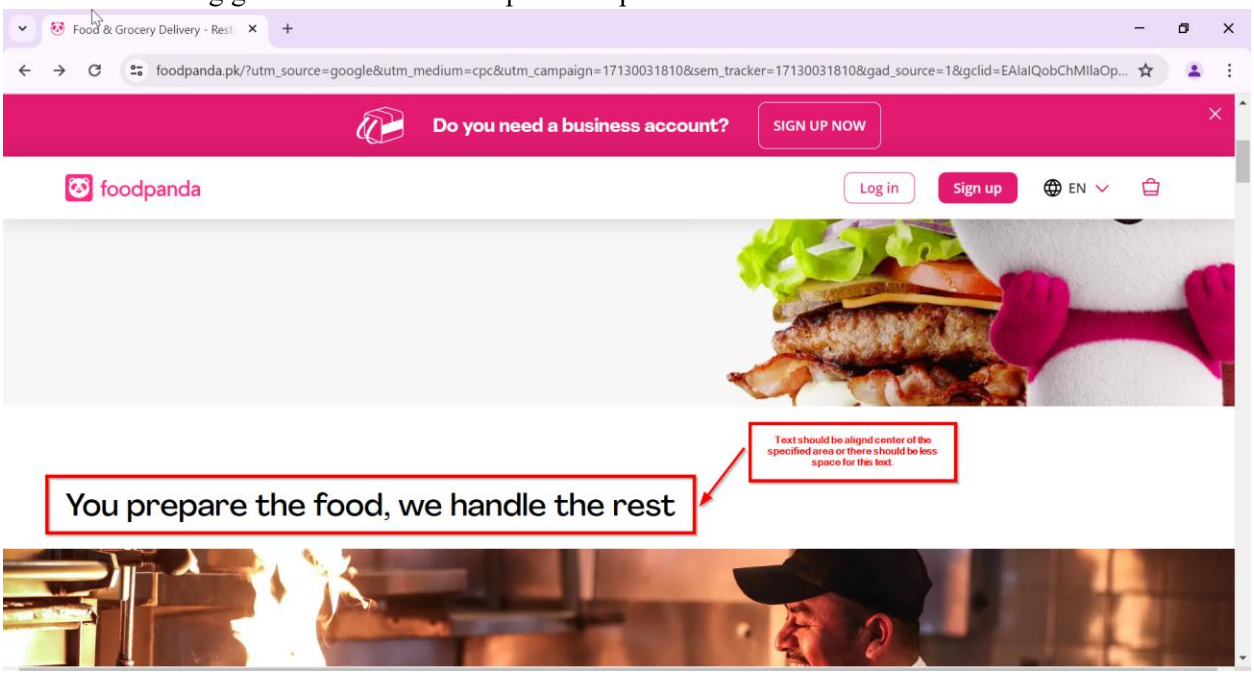
As container height is larger than normal screen size. Due to this reason “Panda” not showing full on screen.



Bug # 5

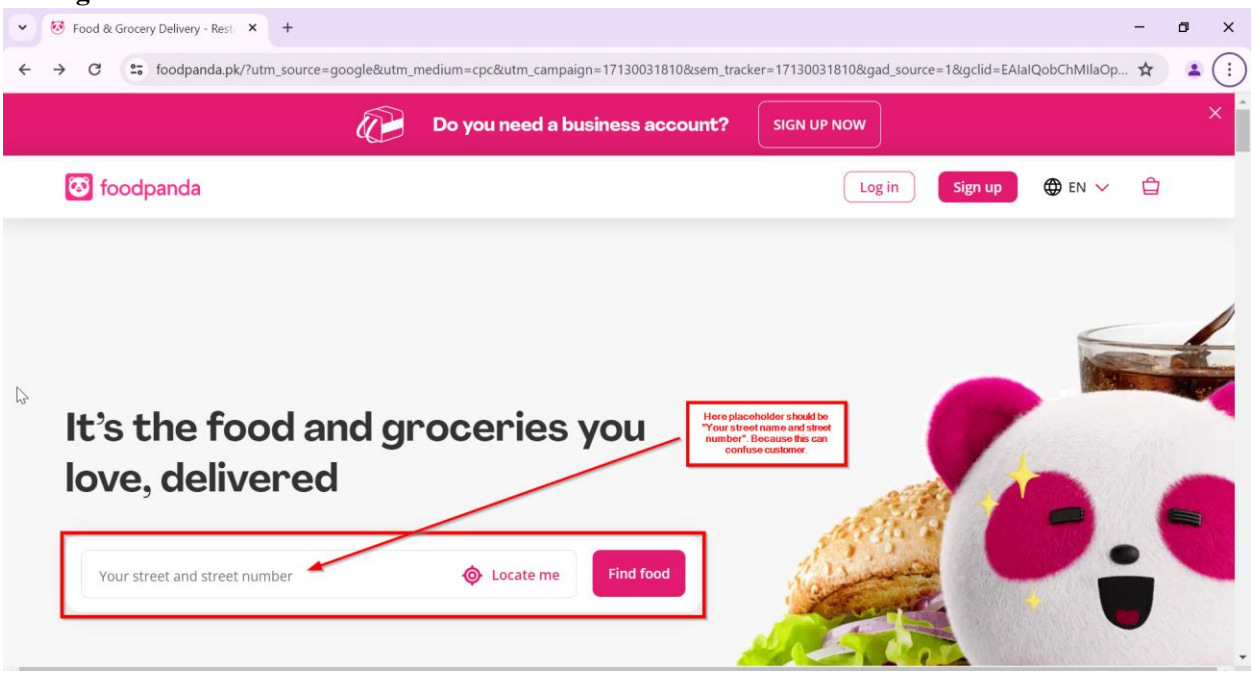
Text takes extra space

Text is not looking good because of extra specified space.



Bug # 6

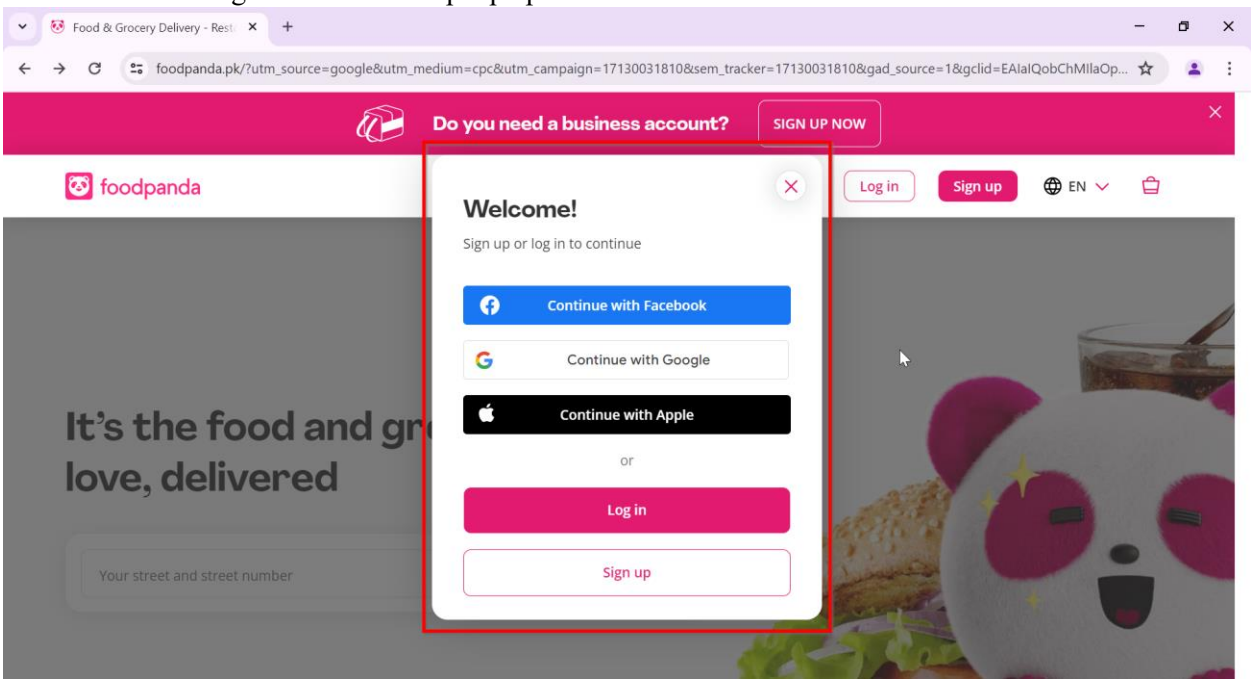
Wrong Placeholder



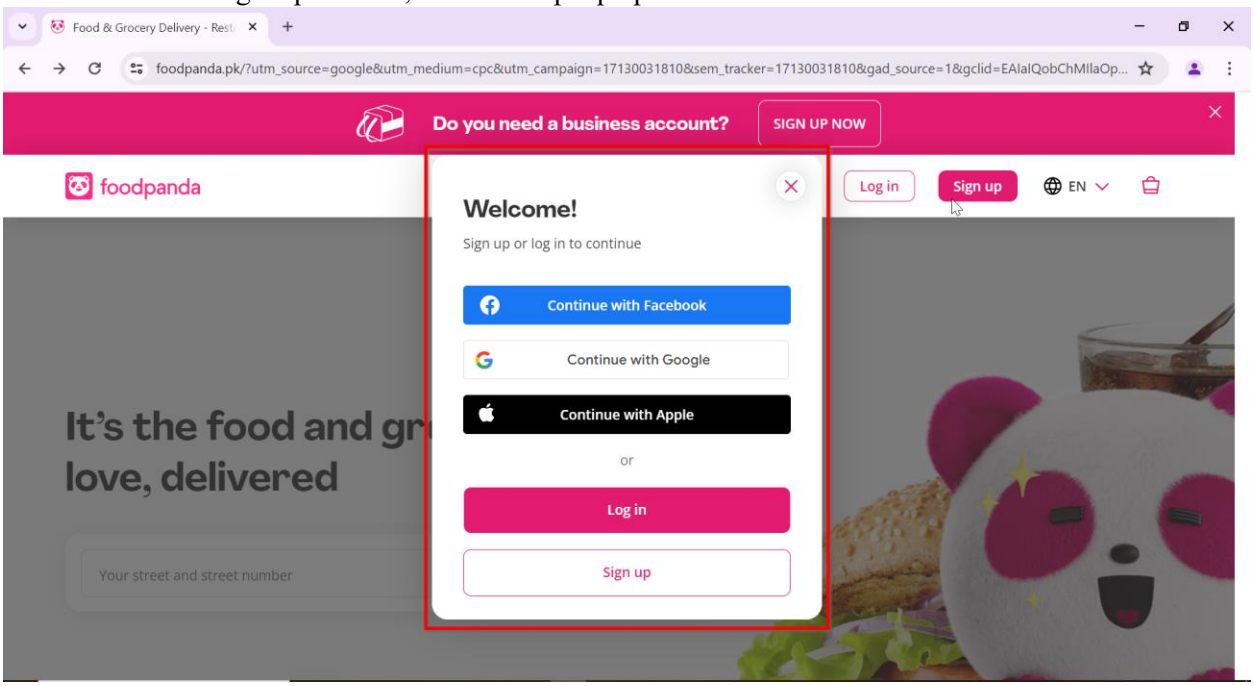
Bug # 7

Same Pop Up

When I click on Log in button this Pop Up open



When I click on “Sign Up” button, also this Pop Up open.



Bug # 8

Unavailability of foodpanda

foodpanda delivery service is unavailable in three cities but they add these in foodpanda “Find us in these cities and many more!” container.
