Bug # 11

Too much content, making difficulty in reading.

Bug # 12

Form is not aligned.

The screenshot shows a mobile application interface for registration. The top navigation bar is dark blue with a logo and links: Jobseeker, Employer, Read, Learn, and Contact. The form is divided into two columns. The left column contains input fields for: First Name* (Sadia), Last Name* (Ashraf), Father name*, National Identification Number, Gender* (Female), Marital status*, Date of Birth* (with a calendar icon), Email (sadiaashraf17.22@gmail.com), Dialing Code* (Pakistan (+92)), Mobile* (3310221722), and Phone Number (Other). The right column contains buttons for Preview, Save, and Email, followed by a progress indicator showing 0% complete. A red rectangular box highlights the input fields on the left, and a red arrow points to the misalignment between the form fields and the right column.
